### Week 7: w/c 17.12.18

It has been a fantastic year at St John's and I am so proud of all our achievements. We have had fantastic results, become a Teaching School and still managed to have fun with our engaging and exciting curriculum. I would like to take this opportunity to thank you all for your support and contributions in making this one of the best years we have experienced.

You will, I hope, have seen the letter about leadership arrangements for January. I know that you will give this your full support whilst I divide my time between St John's and Leamington. We have an amazing team here and I'm sure you won't even notice that I'm not here as much!

Finally, although this time of year is full of magic and excitement for children and their families, it is worth remembering that not everybody will be experiencing the same joy as most of us. Just to remind you that we are signatories for Kenilworth Foodbank vouchers and you can approach us in confidence if needed.

Wishing you a very happy and peaceful Christmas.

Best wishes,

**Mr D Barrow**  
Head Teacher

### Christmas Plays

The Christmas plays and workshops were fantastic this year. Nursery parents really enjoyed the singalong and craft workshop. The Reception and Key Stage One production was just charming, and Key Stage Two finished the celebrations with a confident and assured production. Many thanks to all the staff involved, the children and yourselves for your help with producing costumes, props and learning lines.

### Children's Centre Timetable

Please see overleaf the arrangements for Warwick district Children's Centres over the Christmas period.

### Poppy Appeal

Thank you so much with your support with this year's Poppy Appeal. We raised £274.92 for this fantastic cause. Thank you.

### Scholastic Book Fair

Thank you as always for your support with the Book Fair. Thanks to your kind purchases, we are able to purchase £392 of free books!

### Vision

Children may not always know that they have a vision problem. Therefore, it is recommended that children have eye tests at least once every two years, even if there are no problems with their eyesight. These can be done at a high street opticians and are free for all children under 16 (and those under 19 in full-time education). If you have any other health concerns regarding your child(ren), the School Health and Wellbeing Service can be contacted on 03300 245 204.
